

**ATTENTION ATTENDEES
OUTSIDE OF CANADA!**
Update Your Passport/Visa Information!

The paperwork can take several weeks or even many months! Please plan now so you can join us in Vancouver, British Columbia, Canada in September 2023!

HELPFUL INFORMATION ON GETTING INTO CANADA

As of October 2022, proof of COVID immunization is no longer required to enter Canada. However, as we know, this may change and could change quickly. We will do our best to provide timely updates on the status of crossing the Canadian border regarding COVID vaccinations. Here are some helpful links and apps provided to us by Tourism Vancouver.

FIRST: UPDATE YOUR TRAVEL DOCUMENTS NOW! Passports, visas, eTAs, letters for travel...please put your paperwork in order sooner than later. See below for helpful links and review them sooner than later. We will be reminding you again – don't let that reminder be too late to join us in Vancouver!

ArriveCAN: This helpful online & mobile app is highly recommended to speed up processing time at the border, limit contact with others and keep everyone safe. You must also note your reason for travel in the ArriveCAN app. It is recommended that you select “discretionary/optional” travel for attending a convention, meeting, or tradeshow.

Travel & Entry Requirements into Canada from Tourism Vancouver: This document provides great information on staying safe and healthy in Vancouver, BC and Canada.

eTA (Electronic Travel Authorization) or Visa?: This page provides details on which foreign travellers need to secure a visa or eTA.

Do you need a visa?

Need a passport? Click here to learn more about applying for a US passport or renewing an existing one.

AAP will be building out the **AAP Annual Meeting webpage** to include this information and much more. Please continue checking for updates.
